What a year it has been!

Before we see 2027, let's look back! Take time to reflect on the year we're leaving behind by gathering photos of the many memorable moments with family and friends.

Time I **laughed** the hardest this year

A new skill I **learned** this year

My **proudest** moment this year

My greatest **adventure** this year

Best piece of **advice** I got this year

One word to **describe** this year

Favorite **photo** on my phone from this year

Something I'm looking **forward** to next year
