ALEX'S LEMONADE STAND FOUNDATION emerged from the front yard lemonade stand of cancer patient Alexandra "Alex" Scott (1996-2004). At the age of 4, Alex announced that she wanted to hold a lemonade stand to raise money to help find a cure for all children with cancer. Since Alex held that first stand, the Foundation bearing her name has evolved into a national movement against childhood cancer, complete with thousands of volunteers across the country carrying on her legacy of hope. To date, Alex's Lemonade Stand Foundation, a registered 501(c)3 charity, has raised more than \$25 million towards fulfilling Alex's dream of finding a cure, funding over 100 research projects and helping countless childhood cancer patients and their families.
