 Alex's Lemonade Stand Foundation
 is a unique foundation that has evolved
 from a young cancer patient's front yard
 lemonade stand to a nationwide fundraising
 movement for childhood cancer. Since
 Alexandra "Alex" Scott (1996-2004) set up
 her front yard stand, more than 7 million
 has been raised for childhood cancer by
 Alex's Lemonade Stand Foundation.

Directions

1. Print out box cutout and desired decorations. For best results print out hard paper or card stock (If possible the box may be made sturdier by reinforcing the page with a heavier type of material, such as corrugated box or heavy duty paper.)
2. If necessary decorate blank box and lemonade stand the way YOU want to, use crayons, markers, glitter, or anything you want to make it special and unique.
3. Cut out flat box and fold along all black lines, cut out lemonade stand and decorations.
4. Cut out lemon shape in top of box for a place to put your change.
5. Fold box so that one bottom tab overlaps the other, and either glue or tape tabs together evenly.
6. Fold so that flaps 1 & 2 wrap around sides of box, to the back, and glue or tape them in place. Now you have a complete box.
7. Glue or tape your chosen decorations around the box, do this by folding along black lines and wrapping piece around box.
8. Glue or tape the Alex's Lemonade Stand to the front of the box so that the sides line up evenly, and the Alex's Lemonade sign stands over the box
