It is about the kids.

Our vision is to cure childhood cancer. We honor and remember all children with cancer each day by working toward this greater goal on their behalf.

Follow our founder's footsteps.

Our founder Alex Scott taught us the important life lesson of "turning lemons into lemonade." Her example of making something good from something bad, having hope for the future and enjoying each day is the spirit of Alex's Lemonade Stand Foundation.

Team Alex has no boundaries.

Team Alex embraces supporters of all ages and walks of life who work alongside the Foundation to find a cure for childhood cancer. Anyone and everyone can become a member of Team Alex – we treat each person we come into contact with as a potential and valued member of the team.

One cup at a time is not just our slogan; it is how we conduct our business.

We believe that big things get solved through small actions; therefore, no donation is too small. We do not underestimate the ability of any single act or person to make a difference. We know firsthand that the sum of many small actions; and the power of "one multiplied" can be the catalyst for change in the world.

Say it, mean it, do it.

We are honest in setting expectations, taking ownership of our tasks, and holding ourselves accountable. We are goal-oriented and will work hard to reach our objective, acknowledging our successes and learning from our failures.

Be Positive.

We will maintain a positive attitude and respectful environment. There is no time for negativity. We embrace challenges as opportunities, take on new tasks with enthusiasm and approach our work with optimism.

Please understand that by signing you agree to enforce and uphold the Lemon Club Code of Ethics and Principles and acknowledge that ALSF reserves the right to overrule and revoke a club's charter or actions due to misconduct (e.g. illegal activity, defamation of ALSF's name, brand, and reputations, misappropriation of funds, etc.)
