

# How to Collect and Submit Donations

## How can people donate to my event?

### ● **Directly to your online event page**

Donors can pay with a credit or debit card, Venmo, Apple Pay, or Google Pay. You can also download and print a QR code from your event page to take supporters to your page.

### ● **Venmo\* @AlexsLemonadeStandFoundation**

Make sure donors include your event ID starting with the “E” (ex. E1234567) in the Venmo comments so we can accurately match the donations to your event page.

### ● **Check\* made out to Alex’s Lemonade Stand Foundation**

### ● **Cash**

\*Donations made directly to the Alex’s Lemonade Stand Foundation (ALSF) Venmo account or via check may take a few weeks to appear on your event page.

## How do I send my donations to ALSF after my event?

If you collected cash at your event, **please do not mail in cash.** Below are some easy ways to take your cash donations, add them up, and then donate them to ALSF.

### ● **Donate the amount to your online event page**

Use a credit or debit card, Venmo, Apple Pay, or Google Pay to make a donation for the amount of cash you received.

### ● **Venmo @AlexsLemonadeStandFoundation**

Make a donation in the amount of your cash donations to Venmo. Include your event ID starting with “E” (ex. 1234567) in the “What’s this for?” section.

### ● **Check(s) or money order**

Write a check or get a money order made out to Alex’s Lemonade Stand Foundation in the amount of your cash donations. Use the prepaid envelope in your kit to mail a money order or any checks you received at your event.

**Alex’s Lemonade Stand Foundation, PO Box 369, Bala Cynwyd, PA 19004-9943**

**Put your event ID number on the check and include the info below:**

- If mailing by check, please print and fill out a donation return form from your event page. You can find that form directly under the donate button.

If you have questions, contact **TakeaStand@AlexsLemonade.org**.
