1. **COLOR THE PINWHEEL** below any way you want.
2. **CUT ALONG THE DOTTED LINES** - cut out the box, then cut the diagonal lines.
3. **ASK A GROWNUP TO HELP YOU TO POKE HOLES** with a pushpin where there are dots (in the center of the pinwheel and at the corners).
4. **STICK THE PUSHPIN THROUGH EACH OF THE CORNER HOLES** (fold them toward the center), and **THEN INTO THE TOP OF THE ERASER**.
4. Go ahead and **BLOW ON YOUR AWESOME NEW PINWHEEL!**
   You can print this page again if you want to make another one!
