

# ALSF's 2017 HIGHLIGHTS

## GRETA'S STORY

Your support means so much to kids like Greta, who was diagnosed with leukemia at 3 months old. She underwent months of aggressive treatment only to have her cancer return 6 months later. Greta, who had barely been alive for a year, was faced with fighting cancer again. Outcomes at this point are dismal; options are limited when frontline treatment fails. But, Greta qualified for a new immunotherapy trial funded by ALSF and led by Dr. Rebecca Gardner at Seattle Children's Hospital. **Within 2 weeks, Greta was in remission and has remained there for over 3 1/2 years.**

Alex's Lemonade Stand Foundation (ALSF) is so incredibly grateful to our generous donors. Because of you, we are that much closer to better treatments and cures for kids with cancer.

**Check out what was accomplished in 2017!**

## NEW PROJECTS FUNDED

ALSF funded **113 new research projects** in the hopes of ultimately finding new and better treatments for kids with cancer. Since 2005, ALSF has funded more than **800 projects** at **135 institutions** in North America.

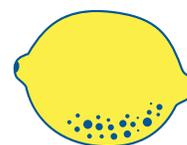

## STANDS & EVENTS

ALSF supporters held more than **3,800 lemonade stands** and **4,226 events** such as bake sales, golf outings, and special occasions.

## ALSF TRAVEL FOR CARE

The ALSF Travel For Care program helps to offset travel expenses to families who must travel to receive potentially lifesaving treatment for a child. In 2017, ALSF provided **300 flights**, **1,000 nights of lodging** and **820,000 miles in gas cards** to over **500 families** in order to ease their financial burden.

## \$22 MILLION

In 2017, supporters around the globe have helped raise **\$22 million** for Alex's Lemonade Stand Foundation. This brings the total raised since Alex's first stand to more than **\$150 million**.

Serving Siblings of Children with Cancer

SuperSibs provided comfort and care to more than **1,500 children** who have a sibling with cancer around the country. Parents report that program participation benefits their children in so many ways.

**I believe that if we can all work together, we can cure cancer.**

Michael, age 16  
Childhood Cancer Hero
