Foundation for
Childhood Cancer™

Childhood cancer can affect all kids differently.

Childhood cancer is a serious disease.

Kids can't "catch" cancer from other kids, so you can play with them like anyone else.

Every day, **43 kids are diagnosed with cancer.**

We are helping more kids survive.

Doctors are working hard to find new medicines to cure childhood cancer.

Kids are beating cancer more than ever.

But some kids still **do not get better.**

You can help kids with cancer!

No donation is too small. Every penny will help kids fight cancer.

Host a Stand

\$50 can fund one hour of research to find new cures.
