Kick off your summer in a meaningful way by joining Alex's Lemonade Stand Foundation (ALSF) for a weekend-long running series taking place over Memorial Day Weekend. The race weekend kicks off with a one-mile challenge on Friday, followed by a 5K on Saturday, and concluding with a 10K on Sunday. Participants can select any one distance to walk or run on any of the dates, or if they are feeling up for a challenge, they can opt to participate in all three levels in the series. There's an option for everyone, from avid walkers to dedicated runners, and every step takes kids with cancer closer to cures.
