R01 EQUIVALENCY POLICY

This policy defines awards considered comparable to an NIH R01 for ALSF grants requiring an R01 or equivalent award. Please review this policy prior to applying to a grant category with this requirement. If you believe you have an R01 equivalent award (independent award of at least \$200,000/year for four years) but do not see it listed below, reach out to Grants@AlexsLemonade.org to confirm eligibility.
