YOU’RE TOTALLY MY JAM, SUPERSIB!
Happy Valentine’s Day, SuperSib!

Here are 4 great ways to share the love this Valentine’s Day:

1. Make a homemade Valentine! Grab the red paper and glitter or make a card on the computer to surprise someone special.

2. Bring heart-shaped candy or treats to share with friends at your school lunch table.

3. Invite friends and family over to your house for a game night or a Valentine’s Day-themed movie marathon.

4. Make a list of all the things you love. Include people in your life and favorite activities or music you enjoy.

Connect with other SuperSibs on Facebook @SuperSibsALSF and share your story with us at SuperSibs.org.
