If I was principal of a school, my vice principal would

be \_\_\_\_\_ . I'd have the cafeteria serve  
(name of friend)

\_\_\_\_\_ and \_\_\_\_\_ for lunch. Students  
(dessert) (snack)

could bring \_\_\_\_\_ and \_\_\_\_\_ to class  
(animals) (nouns)

with them!

Teachers would get homework, like \_\_\_\_\_ page book  
(number)

reports about \_\_\_\_\_ and \_\_\_\_\_ math  
(noun) (number)

problems. Recess would last for \_\_\_\_\_ hours, and  
(number)

instead of buses, I'd have \_\_\_\_\_ and \_\_\_\_\_  
(vehicles) (animals)

bring kids home from school.
