

YOU'RE TOTALLY MY JAM, SUPERSIB!

Happy Valentine's Day, SuperSib!

 Here are four great ways to share the love this Valentine's Day:

1. Make a homemade Valentine! Grab the red paper and glitter or make a card on the computer to surprise someone special.
2. Bring heart-shaped candy or treats to share with friends at your school lunch table.
3. Invite friends and family over to your house for a game night or a Valentine's Day-themed movie marathon.
4. Make a list of all the things you love. Include people in your life and favorite activities or music you enjoy.
