Meet SuperSib Owen

Age: 5

Favorite Color: Blue

Favorite Activities: Drawing, building LEGOs and reading

Owen has a lot of energy, and loves his older brother, Colin. When Owen was 2 years old, Colin was diagnosed with Philadelphia chromosome-positive acute lymphoblastic leukemia. Now Colin spends a lot of time in a hospital far from home, and far from Owen. Owen visited his brother at the hospital a lot, but now he hasn't seen Colin for a few months. Owen keeps his spirits up by having dance parties over FaceTime, making art, playing with his imaginary friends and receiving his SuperSibs mailings. Owen can't wait for Colin to come home from the hospital!

“What do you do with the mad that you feel?” – Mr. Rogers

We all get mad sometimes, but it's important to learn how to deal with those feelings so that we don't hurt ourselves or others. When you are able to stay calm and talk about how you're feeling, you can turn your anger into positive action!

Draw it out in the spaces below.

Craft: Ocean in a Bottle

Summer is near, and this fun craft can sooth even the crabbiest feelings. You only need a few ingredients, so grab an adult and get started!

INGREDIENTS

- WATER
- COOKING OIL (vegetable or canola)
- BLUE FOOD COLORING (or whatever your favorite color is!)
- LARGE CLEAR BOTTLE WITH A LID (like a soda bottle or empty mouthwash bottle)
- FUNNEL FOR POURING
- SUPER GLUE

1. Fill 2/3 of the bottle with water.
2. Add 1-2 drops of food coloring, tighten lid and shake!
3. Fill the bottle the rest of the way with oil.
4. Have an adult put glue around the inside of the lid, then put the lid on the bottle good and tight.
5. Turn your bottle upside down and watch your ocean come to life!

It's normal to have lots of feelings when there are changes in your family, including being angry, sad, or even unsure of your feelings. This is ok! You don't always have to be happy, or silly, or funny, but it's important you don't stay angry or upset all the time. It takes strength to face our feelings and you are a strong person, SuperSib!

Take the "Grrr" out of "Anger"

Lions and tigers and bears, oh my! What do these animals have in common? They all say GRRR! Instead of getting your ~Growl~ on, find ways to keep calm and go with the flow. Check out the ways these sea creatures do it.

Puffer Fish Puff

Puff your cheeks like a puffer fish!

Fill your cheeks with air and hold for 5 seconds.

Clam Cuddle

Cuddle yourself like a clam.

Place your hands on the opposite shoulders and squeeze.

Turtle Tongue

Poke your tongue out like a turtle pokes out its neck.

Stick your tongue out and quickly hide it again.

Starfish Stretch

Stretch out like a starfish.

Place your arms up over your head and stretch out wide. Stretch your legs out wide too.
