

## Focusing On The Future

### Grab a container with a lid and create a New School Year Time Capsule!

Think about your goals for the year ahead. What items could you include that reflect your predictions and the memories you want to make?

Complete the questions and include your answers in the box. Now seal up your time capsule, and keep it somewhere safe. Open it on the last day of school and see how far you've come!

Share your capsule on Facebook @SuperSibsALSF.

### Stick, Send and Share!

Show us your ALSF spirit! Send us a pic of how you choose to use your enclosed SuperSibs stickers over Facebook or email to SuperSibs@AlexsLemonade.org, and you could win a 12 oz. Yeti bottle. All you have to do is stick, send and share for a chance to win!
