

### What a year it has been!

Before we see 2023, let's look back! Take time to reflect on the year we're leaving behind by gathering photos of the many memorable moments with family and friends.

Time I <b>laughed</b> the hardest this year	A new skill I <b>learned</b> this year	My <b>proudest</b> moment this year	My greatest <b>adventure</b> this year
Best piece of <b>advice</b> I got this year	One word to <b>describe</b> this year	Favorite <b>photo</b> on my phone from this year	Something I'm looking <b>forward</b> to next year
