

# SuperSibs **Hope Box**

The message of the Hope Box: You can use this unique “treasure box” to store your most special thoughts, hopes and dreams. It will only take between 20 - 40 minutes to make!

## Here's what you need:

- Small treasure box
- Scissors
- Construction, colored tissue or wrapping paper
- Cool stickers
- Glue
- Decoration items (beads, buttons, photos, glitter, shapes)
- Magazine or catalog pages to cut out words and images

## Here's what to do:

1. Build your box by following the preset creases to fold and assemble.
2. Remember this is your Hope Box: Decorate the outside with any materials you want and fill it in any way you wish. This is your time to let your creativity shine!
3. Whenever you have a special hope, thought, wish, fear, dream or treasure, use this private place to write it down or store it for as long as you like. Remember to look at your Hope Box items each year, or as often as you'd like.
