Meet
SuperSib
Timothy!

Timothy is a fun-loving, caring brother to four siblings. When his sister, Abigail, was diagnosed with cancer it was hard for his whole family. It was especially sad when Abigail had to stay in the hospital overnight because he missed her so much. Timothy and his siblings have enjoyed riding tricycles and scooters down the hospital hallways when visiting Abigail, and they also had movie marathons during some of her overnight stays!

It was helpful for Timothy to play with Abigail during her treatments because he learned about what was going on, and it made him feel less scared. SuperSib mailings have also helped Timothy and his brothers, Zach, Josiah, and Lucan. When they get special packages in the mail, it reminds them they have their own special place within their family.

How Do You Feel?

There is no “right” way to feel. And sometimes it can be hard to share how you feel. Inside the cloud below, draw some pictures of how you feel or write some feeling words.

Share your Feeling Cloud with your parents, your siblings, your friends or teachers, or keep it to just for yourself.

One of our favorite books is *The Invisible String* by Patrice Karst. Did you know there is an invisible string of love that connects us to our family? Even if you cannot see it with your eyes, you can feel it in your heart. Who does your invisible string connect you to?
