## CELEBRATE GRATITUDE

Thanksgiving isn't the only time to be thankful. Host a gratitude party with your family and friends. Have snacks and put out plenty of paper and pens. Ask everyone to write or draw things they are grateful for and display around your room!

## THANKFUL TREE

Help cover our lemon tree with leaves! Write things that you are thankful for. Add more leaves of your own. We added a special leaf—because we are grateful for you, SuperSib!
